Total Period for the year	14,60,149	28,61,390

### 2. FUTURE PROSPECTS AND OUTLOOK OF THE COMPANY:

The Company witnessed an uptick in residential real estate demand compared to the year before. However, the outbreak of Covid-19 pandemic is expected to adversely impact the sector performance in the first half of FY21. The most significant impact of Covid-19 is expected to be the reverse migration of workers which will impact construction activities across the country.

This is expected to cause project execution delays and working capital issues for us. While the start of FY21 may be muted due to the lockdown and its subsequent toll on economic activity, we believe customers would eventually return to the market in the second half of the financial year to partially mitigate the demand impact in earlier quarters. While we do expect the demand to catch up within the year, we believe the customers would expect relaxed payment plans. We also expect some increase in customer outstanding owing to the pessimistic liquidity environment.

While the industry at large may be adversely impacted by this pandemic and the recovery phase slowdown, Your Company has been working on making the supply chain more efficient as lockdown restrictions are eased. These measures will not only help the Company in tiding over the impact of Covid-19 but also make it more efficient in the long term. We believe that government reforms will lead to improved governance in the sector, increase transparency and bring about consolidation amongst real estate players. Our running project is "Purab Manor" at Bangalore. Yours Directors are quite hopeful for the success of the project as well and will earn excellent earning out of it

#### **3. DIVIDEND**

Your Directors do not recommend any dividend for the Financial Year 2019-2020.

#### 4. TRANSFER TO RESERVES

### **CORPORATE GOVERNANCE REPORT**

"Corporate Governance is concerned with maintaining the balance between economic and social goals and between individual and communal goals. The governance framework is there to encourage the efficient use of resources and equally to require accountability for the stewardship of those resources. The aim is to align as nearly as possible the interests of individuals, corporations and society." - A Report Your Directors present the Company's Report on Corporate Governance in compliance with Regulation 34(3) read with part C of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

### **Company's philosophy on Corporate Governance**

Corporate Governance encompasses a set of systems and practices to ensure that the Company's affairs are being managed in a manner which ensures accountability, transparency and fairness in all transactions in the widest sense. Good governance practices stem from the dynamic culture and positive mindset of the organization. We consider stakeholders as partners in our journey forward and we are committed to ensure their wellbeing, despite business challenges and economic volatilities.

### 1. Role of the Company Secretary in Overall Governance Process

The Company Secretary plays a key role in ensuring that the Board procedures are followed and regularly reviewed. She ensures that all relevant information, details and documents are made available to the directors for effective decision making at the meetings. She is primarily responsible to ensure compliance with applicable statutory requirements and is the interface between the company and regulatory authorities. All the Directors of the Company have access to the services of the Company Secretary.

### 2. Selection and Appointment of New Directors on the Board

Considering the requirements of the skill-sets on the Board, eminent persons having an independent standing in their respective field/profession and who can effectively contribute to the Company's business and policy decisions are considered by the Nomination and Remuneration Committee for appointment of new Directors on the Board. The number of directorships and memberships in various committees of other companies by such persons is also considered.

### 3. Selection criteria of Board Members

The Nomination and Remuneration Committee works with the Board to determine the appropriate characteristics, skills and experience required for the Board as a whole and for individual member. Board members are expected to possess expertise, leadership skills required to manage and guide a high growth. The members are not related to any Executive or Independent Director.

### 4. Familiarization Program of Independent Director

The Independent directors of KMF are eminent personalities having wide experience in the field of business, finance, education, industry, commerce and administration. Their presence on the Board has been advantageous and fruitful in taking business decisions. The Directors appointed by the Board are given induction and orientation with respect to the Company's vision, strategic direction, core values, including ethics, corporate governance practices, financial matters and business operations by having one-to-one meetings. The new Board members are also requested to access the necessary documents / brochures, Annual Reports and internal policies to enable them to familiarize with the Company's procedures and practices. Periodic presentations are made by Senior Management on business and performance updates of the Company, business risks and its mitigation strategy, impact of regulatory changes on strategy etc. Updates on relevant statutory changes encompassing important laws are regularly intimated to the Independent directors.

### 5. Prevention of Insider Trading

Pursuant to the SEBI (Prohibition of Insider Trading) Regulations, 1992, a Securities Dealing Code `KMF Code of Conduct for Prevention of Insider Trading and Code of Corporate Disclosure Practices' for prevention of insider trading is in place. The objective of the Code is to prevent purchase and / or sale of shares of the Company by an insider on the basis of unpublished price sensitive information. Under this Code, Designated persons (Directors, Advisors, Officers and other concerned employees / persons) are prevented from dealing in the Company's

shares during the closure of Trading Window. To deal in securities beyond specified limit, permission of Compliance Officer is also required. The aforesaid Code is available at the website of the Company www.kmfbuilders.com.

### 6. Vigil Mechanism

Your Company has established a mechanism called 'Vigil Mechanism' for directors and employees to report to the appropriate authorities of unethical behaviour, actual or suspected, fraud or violation of the Company's code of conduct and provides safeguards against victimization of employees who avail the mechanism. The policy permits all the directors and employees to report their concerns directly to the Chairman of the Audit Committee of the Company. The employees can directly contact the Chairman of the Audit Committee on the email address as mentioned in the `Vigil Mechanism Policy' uploaded at the website of the Company.

### 7. Disclosure Policy

In line with requirements under Regulation 30 of the Listing Regulations, the Company has framed a policy on disclosure of material events and information as per the Listing Regulations, which is available on our website. The objective of this policy is to have uniform disclosure practices and ensure timely, adequate and accurate disclosure of information on an ongoing basis.

### 8. Policy for Preservation of Documents

Pursuant to the requirements under Regulation 9 of the Listing Regulations, the Board has formulated and approved a Document Retention Policy prescribing the manner of retaining the Company's documents and the time period up to certain documents are to be retained. The policy percolates to all levels of the organization who handle the prescribed categories of documents.

### I. Board of Directors

### (A) Composition of Board

### MANAGEMENT DISCUSSION & ANALYSIS REPORT

#### **REAL ESTATE SECTOR**

The Indian real estate sector has been trying to get back on its feet and come to terms with multiple reforms and changes brought in by demonetization, RERA, GST, IBC crisis and the subvention scheme ban. While it was a tough task for the sector to align itself with these new regulations, the measures have been instrumental to bring transparency, accountability and fiscal discipline over the last few years. Prior to COVID19, the real estate sector was expected to grow and around 13% of India's GDP by 2025 (from around 6-7% in 2017), according to ANAROCK Research.

While the pandemic outbreak could temporarily disrupt the sector, there are certain greenshoots in this adverse situation. The recent liquidity crisis has worsened the situation for our type of smaller players which were anyway finding it difficult to adhere to new norms laid by RERA leading to a new wave of consolidation. Industry consolidation is likely to get accelerated further with the COVID19 outbreak and many weak players may cease to exist. Also, the current situation is expected to open up a lot of business development opportunities for well capitalized developers.

# The consolidation phase is likely to get accelerated further with the COVID19 outbreak and many weak players may cease to exist

#### **RESIDENTIAL REAL ESTATE MARKET**

The Indian residential sector has been grappling with subdued demand for the past few years and the recent developments (ongoing impact of COVID19) have made things even more difficult for the sector. While certain measures such as the consecutive rate cuts by the RBI, the reduction of GST rates to 1% for affordable housing and 5% for others and the setting up of an Alternative Investment Fund (AIF) have helped home-buyer sentiments, they've had little impact on the sales for the sector.

#### BANGALORE

In 2019, while the sales momentum was slow due to lack of clarity on the new GST rates for under-construction projects; the sales recovered in the 2019 period. Bangalore has managed to record robust sales which were up 10% in CY2019.In terms of sales volumes growth, Bangalore has been the top performer amongst the cities under consideration. The improved buyer sentiment along with steady demand has resulted in higher launches in CY2019.

COVID19 Impact on Residential Real Estate COVID-19 has severely hit residential real estate business and the sector has come to a standstill in the short term. While the sector was coming out of the woods after the liquidity crisis and subsequent fallouts of sales, the pandemic outbreak could further impact residential sector.

Drop in new launches and slump in sales volumes amidst the current COVID-19 outbreak, the sector is likely to witness major disruptions due to construction delays and financing issues. Also, many prospective customers could consider postponing their decisions either to stay away from the project sites or in the expectations of a price correction.

#### **BUDGET 2020 – TAKEAWAYS**

Budget 2020 did not have much to offer to the real estate sector except for extension of benefits for affordable housing by one year and concession in real estate transactions. It had no measures to boost the demand in non-affordable housing category or liquidity in the sector. Some of the key measures include: Interest deduction benefit on affordable housing The Government in its attempt to boost affordable housing demand, proposed to

extend additional tax benefit of INR 1.5 lakh on interest paid on affordable housing loans by one year till March 2021. The additional deduction is over and above INR 2 lakh which was introduced in the previous year's budget. Tax holiday for Affordable housing developers In order to encourage developers to focus on affordable housing projects, the Government extended the date of approval for these projects for availing tax holiday on profit earned by developers by one year till March 2021. The tax holiday which was being provided under section 80-IBA for approved projects during the period from June 1, 2016 to March 31, 2020 has been extended by a year. Rationalization of capital gains tax on difference between circle rate and transaction rate Earlier for real estate transactions, if the consideration value was less than circle rate by more than 5%, the difference was considered as income accruing to both the buyer and seller and hence taxable to both. In order to facilitate real estate transactions and provide relief to the sector, the government increased the limit from 5% to 10%. New income tax regime for taxpayers The Government introduced an alternative tax regime and in case an individual moves to the new tax regime, the tax exemption including deduction repayment of principal (for INR 1.50 lakh) and deduction on interest payable on housing loan has to be forgone, which is potentially negative for the sector.

#### **OPPORTUNITIES**

#### **OPPORTUNITIES CONSOLIDATION**

The Indian real estate sector has been in a consolidation phase from the past few years and picked up pace resulting from several reforms and disruptions in the sector

#### **DIGITAL REAL ESTATE SALES**

With the rapidly evolving marketing landscape, digital marketing tools have emerged as important tools for real estate companies to amplify their sales and reach out to customers globally. With a sharp focus on building consumer experience and connection through digital means, established brands will be ahead of the curve, giving a competitive edge to their business Social media platforms can be extensively used to promote listings, maintain relationships with existing customers and find new prospects. The recent lockdown due to COVID19 has forced real estate companies to focus much more on digital marketing and online platforms.

#### **MONETARY EASING**

The real estate sector performance is closely linked to the country's economic fundamentals and monetary policies. The Reserve Bank of India cut its benchmark reporte by 250 bps since February 2019 to 4.0%, which is the lowest ever reporte in its attempt to support the slowing economy from further deterioration due to COVID19. Monetary easing initiatives are expected to provide an impetus to housing demand once the economy revives and encourage home buyers and real estate developers.

#### **THREATS & CHALLENGES**

Regulatory Hurdles Unfavorable changes in government policies and the regulatory environment can adversely impact the performance of the sector. There are substantial procedural delays with regards to land acquisition, land use, and construction approvals. Retrospective policy changes and regulatory bottlenecks may impact profitability and affect the attractiveness of the sector and companies operating within the sector. This NBFC crisis has further deteriorated the liquidity situation for smaller developers like us .who had to resort to alternative funding in absence of long term loans from banks. While established developers with lean balance sheets continue to have funding access, many developers are facing significant liquidity pressure.

#### **Independent Auditor's Report**

#### To the Members of, M/s. KMF Builders and Developers Limited

#### **Report on the Audit of the Standalone Financial Statements**

#### Opinion

#### Information Other than the Financial Statements and Auditor's Report Thereon

• The Company's Board of Directors is responsible for theother information. The other information comprises theinformation included in the Board's Report, ManagementDiscussion and Analysis Report and Business Responsibility Report, but does not include the standalone financial statements and our auditor's report thereon.

• Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

• In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated any form of assurance conclusion thereon.

• If, based on the work we have performed, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to regard in this regard.

#### Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

#### Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional

scepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

• Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

• Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty

exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalonefinancial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of theaud it and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

#### Annexure "A" to the Independent Auditor's Report.

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of KMF Builders and Developers Limited of even date)

# Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of **M/s.KMF Builders and Developers Limited,** (the "Company") as of March 31, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls

operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and payments of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, to the best of our information and according to the explanations given to us, except for the effect of the matter described in the above paragraph, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting we reoperating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

KMF BUILDERS AND DEVELOPERS LIMITED

58

#### **KMF BUILDERS AND DEVELOPERS LIMITED**

#### NOTES ANNEXED TO & FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2020

#### Significant accounting policies:

#### a) Basis of Preparation and Presentation of Financial Statements

The financial statements of the company have been prepared in accordance with the Indian Accounting Standards("Ind AS") as notified by the Ministry of corporate Affairs pursuant to section 133 of the companies Act, 2013 ("Act"), the companies (Indian Accounting Standards) Rules, 2015, as amended, and other applicable provisions of the Act.

The Balance Sheet, Statement of Profit and Loss and Statement of Changes in Equity have been prepared and presented in the format prescribed in the Division II of the Schedule III to the Companies Act, 2013. Statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 Statement of Cash Flows. The disclosure requirements with respect to the items in the Balance Sheet and Statement of Profit and Loss Account are presented by way of notes forming part of financial statements.

The Company has considered a period of twelve months as the operating cycle for classification of assets and liabilities as current and non-current.

#### **Basis of Measurement**

These financial statements have been prepared based on accrual and going concern principles following the historical cost conventions except for those financial assets and liabilities that are measured at fair value.

#### b) Key Estimates & Assumptions

In preparing these Ind AS compliant financial statements, the Management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable and a continuous evaluation is done on the estimation and judgement based on historical experience and other factors.

#### c) Inventories

Value of inventories are measured at Cost.

Cost Comprises of Land, Development Rights, Materials, Services, and other expenses attributable to the Project. Cost of Construction / development ( including cost of land) incurred is charged to the standalone statement of profit & loss Proportionate to area sold and the balance cost is carried over under inventories as WIP.

#### d) Revenue recognition

Revenue from Construction activity is recognized to the extent that it is probable that the economic benefits will flow from the customer, all significant risks and rewards of ownership are transferred to the customers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of Consideration.

Revenue from Construction Activity is recognised at a point in time when significant risks & rewards are transferred to the customer i.e, When the control of residential flats is transferred to the Customers.

Cost of Construction/Development includes all cost directly related to the project and other expenditure as identified by the management which are reasonably allocable to the project.

#### e) Property, Plant and Equipment(PPE)

#### Recognition and Measurement

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. PPE other than freehold land is stated at original cost including import duties, non-refundable purchase taxes and any directly attributable costs of bringing the asset

to its working condition for its intendeduse, net of tax/duty credits availed, if any, after deducting rebates and trade discounts, less accumulated depreciation and accumulated impairement losses, if any. If significant parts of an item of PPE have different useful lives, then they are accountedfor as separate items(major components) of PPE

#### Depreciation & Amortisation

Depreciation is provided using the Straight Line Method (SLM) as per the useful life of the assets estimated by the management.

Depreciation on Addition/Deletion of PPE made during the year is provided on Prorata basis from/up to date of addition/deletion.

The useful life of assets estiumated by the management is same as prescribed in scheduled II of the Act, except in respect of the following category of asset given below-Where the life is different than that of schedule II to the Act.

The following are the useful lives of the various classes of the property, plant and equipment

#### f) Share Capital

Ordinary shares are classified as equity. Costs directly attributable to issuance of new ordinary shares are chargedto profit and loss account on the basis of predetermined period in equal proportions.

#### g) Taxes on Income

Current tax is the expected income tax payable/recoverable in respect of the taxable profit/(tax loss) for the year and anyadjustment to the tax payable or receivable in respect of previous years. It is measured using the tax rates and tax laws that havebeen enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised in respect of temporary differences between the carrying values of assets and liabilities for financial reporting purposes and the amount used for tax purposes.

### h) Employee benefits

### <u>Short term obligations:</u>

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

#### Long term obligations:

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are accounted on accrual basis.

#### Post employment benefits:

The entity operates the Gratuity scheme as defined benefit plan and the obligations for these benefits are recognised as per the Acturial Valuation.

#### Actuarial Measurement of Gratuity

Net Asset/ Liability Recognised in the Balance Sheet	31-03-2020	31-03-2019
Present value of Defined Benefits Obligation At Beginning (Opening)	515,066	480,066
Current Service Cost	-	-
Interest Cost	-	-
Acturial (Gains) / Loss	299,837	35,000
Benefits Paid	-	-
Present value of Defined Benefits Obligation at the end (Closing)	814,903	515,066

#### i) Provisions and Contingent Liabilities

Provisions are recognised when the company has a present obiligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows specific to the liability, using a current pre-tax rate that reflects the current market assessment of the time value of money and risks specific to the obligation. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed in the notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Provisions and Contingent Liabilities are reviewed at each Balance Sheet date and adjusted to reflect the best estimates.

c) The Company's total number of employees has not exceeded the stipulation limit of the PF Act., 1952, Hence the company has not registered under PF Act., 1952

#### 4. Deferred Tax

Deferred tax recognized subject to the consideration of prudence, on timing differences between taxable income and accounting income, that originates in one period and are capable of reversal in one or more subsequent periods

#### 5. Taxation

Income tax expense comprises current tax for the year determined in accordance with the income-tax Act, 1961.

#### **Deferred tax:**

Deferred taxation is provided using the liability method in respect of the taxation effect originating from all material timing differences between the accounting and tax treatment of income and expenditure, which are expected with reasonable probability to reverse in subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only when there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or, written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

#### Minimum Alternative Tax:

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

#### 6. Goods and Service Tax Input
