MANAGEMENT DISCUSSION AND ANALYSIS FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019

In 2018, Bangalore's residential real-estate market transcended challenges associated with the implementation of the Karnataka Real Estate Regulation and Development Act, 2017 and Goods and Services Tax (GST).

Budget 2019 – Takeaways Central Budget announcements indicate the government's changing stand towards investment demand in real estate. Steps taken to increase flexibility on deployment of capital gains from property, increasing the tax exemption period for unsold inventory and exemption from notional rent tax on second property are focused towards improving real estate investment demand. For affordable housing, the government has extended the time limit for availing tax deduction by one year.

GST rate changes In March 2019, GST council approved lower GST rates for real estate developers subject to certain terms and conditions. Developers will be allowed an option to opt for 12% GST (with input tax credit) or 5% effective GST rate (without ITC)/1% (affordable housing projects). Builders opting for 5% GST rate will have to reverse input credits as per prescribed formulas.

Industry structure and development

The real estate sector is quite promising with various advantages like Construction of the multi building projects on the feasible location in the country, good structured national network facilities the boom of construction industry. Segment-wise or Product wise Performance.

communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

◆ The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report, Management Discussion and Analysis Report and Business Responsibility Report, but does not include the standalone financial statements and our auditor's report thereon.

◆ Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

◆ In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated any form of assurance conclusion thereon.

KMF BUILDERS & DEVELOPERS LIMITED

◆ If, based on the work we have performed, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

◆ Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

◆ Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(I) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

◆ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are

KMF BUILDERS & DEVELOPERS LIMITED

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

◆ Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

(b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows specific to the liability, using a current pre-tax rate that reflects the current market assessment of the time value of money and risks specific to the obligation. The unwinding of the discount is recognised as finance cost.

Contingent liabilities are disclosed in the notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.
